

The philosophy of the Northside Independent School District's competitive sports is to  
introduce a diversified program that afford students with their interests and  
opportunity for self and health participation in the sports of their choice. This  
philosophy is based on the concept that there is a need for a good physical  
development and fitness for every youngster. Self service, variety of interest, activities  
and desires.

Keep students physically possible in good environment

Institute good habits so and for self and community citizenship and high standard  
of sportsmanship in the pupils of Northside Independent School District

Encourage students to grow spiritually, physically, mentally and socially

4. Athletes should have an appreciation for optimal health and physical  
fitness. The importance of proper rest, good eating habits and cleanliness  
should be stressed at every opportunity.

Develop programs in such a manner that the end result is a sense of unity  
harmony and success.

Institute in athletes the desire to represent their school and community in  
a manner that inspire the school, instructors, coaches, parents, teachers  
and other citizens of the community proud of the

Emphasize to athletes that even in the face of competition, the realization that athletic  
competition is a privilege that carries definite responsibilities. One of these  
responsibilities is to exhibit integrity, improvement, courage and perseverance.

Create in pupils greater interest in the value of education.

Maintain and conduct the most successful interschool athletic program  
possible.

The Campus Athletic Coordinator serves in dual roles as coach and administrator of the athletic programs for high school and middle schools assigned to their campus. The Coordinator shall be responsible for the following:

- Build positive and professional relationships with campus administration and coaching staff
- Be involved with the Principal, Assistant Coordinator and Athletic Director in the recruitment of coaches for high school and middle school
- Follow the direction of the Athletic Director in the evaluation process. At the high school level, the Principal, Coordinator and Head Coach for assistants be involved in the evaluation process. At the middle school level, the Middle School Principal, Coordinator be
